

The Great Corfe Bake

Saturday March 31st 2018 10.00 am -12.30

In aid of Motor Neurone Disease Association

Motor Neurone Disease (MND) is a progressive disease that attacks the motor neurones, or nerves, in the brain and spinal cord. This means messages gradually stop reaching muscles, which leads to weakness and wasting.

"MND is a devastating condition. By finding the causes we will be able to find the cure. That's what we have to do."

Come and enjoy a coffee, scrumptious cake and a chat at Corfe Village Hall
